

# You Light Up My Life

**Kenny Rogers**

So many nights I'd sit by my window  
Waiting for someone to sing me her song  
So many dreams I kept deep inside me  
Alone in the dark but now you've come along And you light up my life  
You give me hope to carry on  
You light up my days  
And fill my nights with song Rollin' at sea, a drift on the waters  
Could it be finally I'm turning for home?  
Finally a chance to say hey I love you  
Never again to be all alone  
And you light up my life  
You give me hope to carry on  
You light up my days  
And fill my nights with song  
Oh you, you light up my life  
And you give me hope to carry on  
You light up my days  
And fill my nights with song And it can't be wrong when it feels so right  
'Cause you, you light up my life
