My Way

Willie Nelson

And now, the end is near And so I face the final curtain My friend, I'll say it clear I'll state my case, of which I'm certain I've lived a life that's full I've traveled each and every highway But more, much more than this I did it my wayRegrets, I've had a few But then again, too few to mention I did what I had to do And saw it through without exemption I planned each charted course Each careful step along the byway And more, much more than this I did it my wayYes, there were times I'm sure you knew When I bit off More than I could chew But through it all When there was doubt I ate it up and spit it out I faced it all and I stood tall And did it my wayI've loved, I've laughed and cried I've had my fill my share of losing And now, as tears subside I find it all so amusing To think I did all that And may I say Not in a shy way Oh no, oh no, not me I did it my wayFor what is a man What has he got If not himself Then he has naught To say the things he truly feels And not the words of one who kneels The record shows I took the blows And did it my way
