I Love You

Climax Blues Band

When I was younger man
I hadn't a care
Foolin' around
Hitting the town
Growing my hairYou came along
And stole my heart
When you entered my lifeOoh, babe, you got what it takes
So I made you my wifeSince then I never looked back
It's almost like living a dream
And, oooh, I love youYou came along
From far away
And found me here
I was playin' around
Feeling down
Hittin' the beerYou picked me up
From off the floor
And gave me a smileYou said, you're much too young
Your life ain't begun
let's walk for awhileAnd as my head was spinnin' 'round
I gazed into your eyes
And thought, oooh, I want youThank you, babe, for being a friend
And shinin' your light in my life
'Cause, oooh, I need youAs my head was comin' round
I gazed into your eyes
And thought, oooh, I want you
Thanks again for being my friend
And straightenin' out my life
'Cause, oooh, I need youSince then I never looked back
It's almost like livin' a dream
Oooh, I got youIf ever a man had it all
It would have to be me
And, oooh, I love you
