

Thank You

Ashanti

IIII I I IIII just wanna say
that i'm thankfull for having you in my life
I wanna say thank you,
I wanna say,
I wanna say thank you
for being in my life,
I wanna say thank you and I miss you
and I wish you were here with me,
saying thank you and I love you for being in my life
I don't know, I don't know,
I don't know what I would do if I
didn't have you in my life, in my life
I wanna say thank you,
I love you and I miss you
I just wanna say thank you,
I love you and I miss you
