

# Liv' Tonight (feat. Keri Hilson)

## Nelly & Keri Hilson

I just wanna live tonight\*  
I just wanna live tonight away  
I just wanna live tonight  
I just wanna live my life, ayI-I-I-I-I-I-I  
I just wanna live tonight  
I just wanna live tonight away  
I just wanna live tonight  
I just wanna live my life, ayNew York, LA, Chicago, VA, Saint Louis  
I just wanna live my life, ay  
Hey Vegas, Miami, hey London  
Chicago, hey Providence  
(I said, I said, I said)  
I just wanna live my life, ay  
Top down there's a road on the backstreet  
Shot gun with a twin in the backseat  
No one with them two, it's just me  
Pull up to the club like a pimpsy  
Shouts out to the players in the VIP  
Hey DJ, yeah you remember me  
It's the nigga with same proof from outta suit  
And we be, we bePoppin' bottles, making noise  
On the tables, on the bars  
And at every bar  
Tell them girls to freak them boys  
I feel the patron jello shots  
I'm throwing one hundred dollar rain drops  
I live it up, yo, and they not, they not  
Cause today  
I just wanna live tonight  
I just wanna live tonight away  
I just wanna live tonight  
I just wanna live my life, ayNew York, LA, Chicago, VA, Saint Louis  
I just wanna live my life, ay  
Hey Vegas, Miami, hey London  
Chicago, hey Providence  
I just wanna live my life, ayI'm with whatever shawty  
What you thinkin'?  
I'm treating all night  
So what you drinkin'?  
Don't be afraid little mama, let loose  
Get shawty there another grey goose  
Tell your friends "come here"

Let's see what they do  
 What they do, heyGo shawty, it's your birthday  
 Wanna Maybach for my birthday  
 Want the place to see my birthday  
 Black on black to light grey  
 And you can roll with me
