

# Josephine

[Brandi Carlile](#)

Take me back Josephine  
To that cold and dark December  
I am missing someone but I don't know who  
Now I'm standing alone and I'm trying to remember  
Sometimes I wonder how I ever started loving you  
Noontime wind can you blow  
For me one more time  
And take me on back to the start  
Where the midnight moon shines so bright  
Nearly pulled us up to Heaven  
By the strings of our heart  
Take me back Josephine  
To that cold and dark December  
I am missing someone but I don't know who  
Now I'm standing alone and I'm trying to remember  
Sometimes I wonder how I ever started loving you  
Morning sun shine on me  
Come light inside my window  
And rest on my brow  
Kiss my eyes when I sleep  
And carry me back home  
If my dreams will allow  
Take me back Josephine  
To that cold and dark December  
I am missing someone but I don't know who  
Now I'm standing alone and I'm trying to remember  
Sometimes I wonder how I ever started loving you  
Take me back Josephine  
To that cold and dark December  
I am missing someone but I don't know who  
Now I'm standing alone and I'm trying to remember  
Sometimes I wonder how I ever started loving you  
Someone help me understand why I'm still loving you
