Bellyache

Billie Eilish

Sitting all alone

Mouth full of gum

In the driveway

My friends aren't far

In the back of my car

Lay their bodiesWhere's my mind

Where's my mindThey'll be here pretty soon

Looking through my room

For the money

I'm biting my nails

I'm too young to go to jail

It's kinda funny

Where's my mind

Where's my mind

Where's my mind

Where's my mindMaybe it's in the gutter

Where I left my lover

What an expensive fate

My V is for Vendetta

Thought that I'd feel better

But now I got a bellyacheEverything I do

The way I wear my noose

Like a necklace

I wanna make 'em scared

Like I could be anywhere

Like I'm reckless

I lost my mind

I don't mind

Where's my mind

Where's my mindMaybe it's in the gutter

Where I left my lover

What an expensive fate

My V is for Vendetta

Thought that I'd feel better

But now I got a bellyacheMaybe it's in the gutter

Where I left my lover

What an expensive fate

My V is for Vendetta

Thought that I'd feel better

But now I got a bellyache
