

# Hands All Over

## Maroon 5

Put your hands all over  
Put your hands all over me  
Put your hands all over  
Put your hands all over me I can't seem to find the pretty little face I left behind  
Wandered out on the open road  
Looking for a better place to call home Gave her a place to stay  
But she got up and ran away And now I've had enough  
That pretty little face has torn me up  
Put your hands all over me  
Please talk to me, talk to me Tell me everything is gonna be alright  
Put your hands all over me  
Please walk with me, walk with me (now) Love is a game, you say  
Play me and put me away  
Put your hands all over me  
Now you've lost your mind, pretty little girl I left behind  
I'm not yours, getting rub  
but everybody knows you're not that tough Wandered out on the open road  
Looking for a place to call your own You're scared to death of the road ahead You pretty little  
thing, don't get upset  
Put your hands all over me  
Please talk to me, talk to me Tell me everything is gonna be alright  
Put your hands all over me  
Please walk with me, walk with me (now) Love is a game, you say  
Play me and put me away Love is a game, you say  
Play me and put me away  
Put your hands all over me  
So come down off your cloud  
Say it now and say it loud  
Get up in my face  
Pretty little girl, come make my day  
Put your hands all over me  
Please talk to me, talk to me  
Put your hands all over me  
Gotta walk with me, walk with me (now) Put your hands all over me  
Gotta talk to me, talk to me  
Put your hands all over me  
Gotta walk with me, walk with me (now) Love is a game, you say  
Play me and put me away  
Put your hands all over  
Put your hands all over me
