Worth It

Fifth Harmony

Give it to me, I'm worth it

Baby, I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Give it to me, I'm worth it

Baby, I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Gimme gimme I'm worth it

OK, I tell her bring it back like she left some
Bring it bring it back like she left some
In the club with the lights off

Whatchu acting shy for?

Come and show me that you're with it with it with it with it Stop playing, now you know that I'm with it with it with it with it with it with it

Whatchu acting shy for? Just gimme you, just gimme you Just gimme you, that's all I wanna do And if what they say is true If it's true, I might give me to you I may talk a lot of stuff Guaranteed, I can back it up I think I'm a call you bluff Hurry up, I'm waitin' out front Uh huh, you see me in the spotlight "Ooh I love your style" Uh huh show me what you got 'Cause I don't wanna waste my time Uh huh see me in the spotlight "Ooh I love your style" Uh huh show me what you got now Come and make it worth my while

Give it to me, I'm worth it

Baby, I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

Give it to me, I'm worth it

Baby, I'm worth it

Uh huh I'm worth it

Gimme gimme I'm worth it

It's all on you, it's all on you

It's all on you, so what you wanna do?

And if you don't have a clue

Not a clue, I'll tell you what to do Come harder just because I don't like it, like it too soft I like it a little rough Not too much, but maybe just enough Uh huh, you see me in the spotlight "Ooh I love your style" Uh huh show me what you got 'Cause I don't wanna waste my time Uh huh see me in the spotlight "Ooh I love your style" Uh huh, show me what you got now Come and make it worth my while Give it to me, I'm worth it Baby, I'm worth it Uh huh I'm worth it Gimme gimme I'm worth it Give it to me, I'm worth it (know what I mean?) Baby, I'm worth it (give me everything) Uh huh I'm worth it Gimme gimme I'm worth it

OK

I tell her bring it back like she left some-Bring it bring it back like she left some-In the club with the lights off Whatchu acting shy for?
