

# Let Her Fly

Dolly Parton, Tammy Wynette & Loretta Lynn

There's a wreath on the door  
She don't live here no more  
As of today, she flew home  
And we all gathered here  
In sorrow and tears  
It won't be the same with her gone  
There's a place on the hill  
That's peaceful and still  
Where she'll sleep beside daddy again  
The ole' family tree is shedding it's leaves  
But we'll all met in heaven again  
Chorus: Oh, she's an angel  
Let her fly, let her fly  
She's gone home to glory  
To her home in the sky  
When God sees her comin'  
Heaven's choir will smile

And sing, "oh she's an angel, let her fly, let her fly  
Ooh, she's an angel, let her fly" She used to rock me when I was a child  
Sing "rock of ages" and "in the sweet bye and bye"  
Her life wasn't easy, oh but how hard she tried  
You know she's an angel, lord, so let her fly  
Repeat chorus Tag: Let her fly  
Ooh she's an angel, let her fly
