

# What Do Ya Think About That

## Montgomery Gentry

I heard it through the grapevine  
My new neighbor don't like my big red barn  
A '47 Ford, bullet holes in the door  
Broke down motor in the front yard I got a half a mind to paint a plywood sign  
And nail it up on a knotty pine tree  
Saying I was here first, this is my piece of dirt  
And your rambling don't rattle me Some people care about what other people think  
Worry about what they say  
Let a little gossip coming from a loose lip  
Ruin a perfect day Sayin', blah, blah, blah, just a jacking their jaws  
Got a let it roll off of my back  
I don't give a dern what other people think  
What do ya think about that?  
I wear what I want to, overalls, work boots  
Crank my music up loud  
Like to sling a little mud in my four wheel drive  
Trek it all into town Shoot a little eight ball down at the pool hall  
Drink a beer with my friends  
Now don't judge me and I won't judge you  
'Cause we all get judged in the end Some people care about what other people think  
Worry about what they say  
Let a little gossip coming from a loose lip  
Ruin a perfect day Sayin', blah, blah, blah, just a jacking their jaws  
Got a let it roll off of my back  
I don't give a dern what other people think  
What do ya think about that?  
Some people care about what other people think  
Worry about what they say  
Let a little gossip coming from a loose lip  
Ruin my perfect day Sayin', blah, blah, blah, just a jacking their jaws  
Got a let it roll off of my back  
I don't give a dern what other people think  
What do ya think about that? Say I don't give a damn what other people think  
What do ya think about that?  
Tell me what ya think about that  
What do ya think about that?  
What do ya think about that?
