

She Will Be Loved

Maroon 5

Beauty queen of only eighteen, she had some trouble with herself
He was always there to help her, she always belonged to someone else
I drove for miles and miles, and wound up at your door
I've had you so many times, but somehow I want more I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay a while And she will be loved
And she will be loved Tap on my window, knock on my door, I want to make you feel beautiful
I know I tend to get so insecure, it doesn't matter anymore
It's not always rainbows and butterflies, it's compromise that moves us along, yeah
My heart is full and my door's always open, you come anytime you want, yeah
I don't mind spending every day
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay a while And she will be loved
And she will be loved
And she will be loved
And she will be loved I know where you hide, alone in your car
Know all of the things that make you who you are
I know that goodbye means nothing at all
Comes back and begs me to catch her every time she falls, yeah Tap on my window, knock on
my door, I want to make you feel beautiful I don't mind spending every day
Out on your corner in the pouring rain, oh
Look for the girl with the broken smile
Ask her if she wants to stay a while
And she will be loved
And she will be loved
And she will be loved
And she will be loved (Please don't try so hard to say goodbye)
I don't mind spending every day
Out on your corner in the pouring rain
(Please don't try so hard to say goodbye)
