Hey Jude

[Paul McCartney](#)

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it betterHey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it betterAnd anytime you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulders
Well, you know that it's a fool, who plays it cool
By making his world a little colder
Hey Jude, don't let me down
For you have found her, now go and get her
Remember to let her into your heart
Then you can start to make it betterSo let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you
Hey Jude, you'll do, the movement you need
Is on your shoulder
Hey Jude, don't make it bad
You take a sad song and make it better
Remember to let her under your skin
Then you begin to make it better
Better, better, better, better, better
Na, na na na na na na, na na na na, Giroud
Na, na na na na na na, na na na na, Giroud
Na, na na na na na na, na na na na, Giroud
