

Dry Your Eyes

Sean Kingston

Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles
And I just wanna tell you I love you Only 15 put under pressure
First month 27th day, they took away my mother
I was left to be raised by my brother
Tought to be a hustla, mommy gone gotta stick together Stay strong through the stormy weather
Became a top seller, look how we stackin' this cheddar
When you jump mommy life would be better
Just like Rhianna you can stand under my umbrella You know how to make me better
Even when we lose our cheddar
Even through the stormy weather
You hold me down
Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles
And I just wanna tell you I love you Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles
And I just wanna tell you I love you 17 got a little money, feelin' kinda blue
'Cause it's lookin' you doin' 10 to 20
Ridin' bein' broke ain't funny, it's all bein' hungry
But I'ma keep hustlin' for my mommy Until I get rich like Puffy never had a blamby
You said I can be all I can be
Some day I'ma buy you Miami, so when I win my Grammy
You comin' 'cause I do this for my family You know how to make me better
Even when we lose our cheddar
Even through the stormy weather
You hold me down
Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles
And I just wanna tell you I love you Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles
And I just wanna tell you I love you 17 now my mommy's gone
Can't wait till she come back home
Missin' her face like dust till dawn
While she went away Never think it be this long
I feel like cryin' while I'm writin' this song
Can't wait till that day come on
When she leave the place Hey what's up mom, how you doin'?
It's been about 2 years since I saw your face
I miss you like crazy Know the money orders, the prepaid costs
Bein' on my own no Knee Kurt Canino
But I love you though, this for you Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles

And I just wanna tell you I love you Mommy, just dry your eyes, mommy, don't you cry
I know we've been through hard times and the struggles
And I just wanna tell you I love you
