

# When She Says Baby

Jason Aldean

Somedays it's tough just gettin' up  
Throwin' on these boots and makin' that climb  
Somedays I'd rather be a no show lay low  
Before I got outta my mind. But when she say baby  
Oh no matter what comes ain't goin' no where she runs her fingers through my hair  
and saves me.  
Oh that look in her eyes got me comin' alive and drivin' me a good kinda crazy  
When she says baby.  
Oh when she says baby.  
Some night I come home fightin' mad  
Feel like runnin' my fist through a wall.  
Is it even worth it what I'm fightin' for anymore feelin' Torn all the hell with it all.  
But when she's says baby  
Oh no matter what comes ain't goin' no where she runs her fingers through my hair  
and saves me. Yea that look in her eyes got me comin' alive and drivin' me a good kinda crazy  
When she says baby  
Everything got me alright. Just lay down by my side.  
Let me love you through this life.  
Yea she the perfect shot of faith.  
When every bit of mine is gone.  
Somethin' I could believe in a best friend  
And heavens send a love to lean on.  
But when she says baby  
Oh no matter what comes ain't goin' no where she runs her fingers through my hair  
and saves me.  
Yea that look in her eyes got me comin' alive and drivin' me a good kinda crazy  
When she says baby.  
Oh when she says baby.  
Yea that look in her eyes got me comin' alive and drivin' me a good kinda crazy.
