

# Stay Around a Little Longer (feat. B.B. King)

Buddy Guy

I thank the Lord for letting me stay around a little longer  
Till I got, got a lot more to give  
I thank the Lord for letting me stay around a little longer  
Lord knows I love the life I live This old road's been so good to me  
I've been given much more than I ever dreamed  
I won't ever stop playing these blues  
That's what I think He put me here to do I thank the Lord for letting me stay around a little  
longer  
Feel like I've got a lot more to give  
I thank the Lord for letting me stay around a little longer  
Lord knows I love the life I live  
So many good friends I've lost along the way  
I know I'll meet 'em again on some uncloudy day  
Until then there's more songs to be sung  
We've come a long way but we're a long way from being done I thank the Lord  
I thank the Lord for letting me stay around a little longer  
But I feel like I got a lot more to give  
I thank the Lord for letting me stay around a little longer  
Lord knows I love the life I live  
Thank You, Lord, I love the life I live You got that right, B, I love the life we live, Buddy  
I spend a many nights listening to you play  
You still sound good, oh, you too sound good, Buddy  
Keep on doing it B Your nickname is a good name for me  
Because I believe you are my buddy  
I love the life I live  
You're the best that ever did it and got away with it  
Well, thanks a lot  
You ain't done it so bad yourself, old boy  
When I'm pushing up daisies, don't forget  
You're still my buddy
