

# Now You're Gone (feat. Zara Larsson)

## Tom Walker

[Chorus: Tom Walker]

Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone  
Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone [Verse 1: Zara Larsson]

I said I'm done with you  
But I can't help it when I lay down, still think of you  
Keeps me awake at night and  
Why do I let it get so far?  
How do we end with broken hearts?  
How do we end with broken hearts, broken hearts?

[Verse 2: Tom Walker]

So was it really worth it?  
Caught in the moment while we burn it down  
No one's perfect  
Try to connect and we turn it 'round  
Well, I'm over this game  
No one's taking the blame  
So was it really worth it?

Was it really worth it? [Pre-Chorus: Zara Larsson & Tom Walker]

Everything we've been criticizing  
Well, I don't wanna live like that  
Overthinking and analyzing  
Never gonna take it back  
I thought I was winning, but I was dying  
Everything we never had  
Losing you is what I want fighting

[Chorus: Tom Walker & Zara Larsson]

Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone  
Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone [Verse 3: Tom Walker]

Well, you said you hated me  
Tried to forget, but it stays with me  
What scares me is when I'm locked up, got me feeling free  
Does it come from the heart?

Words cut deep, cut deeper than scars

Thought that you were perfect, was it really worth it? [Pre-Chorus: Zara Larsson & Tom Walker]

Everything we've been criticizing  
Well, I don't wanna live like that  
Overthinking and analyzing  
Never gonna take it back  
I thought I was winning, but I was dying  
Everything we never had  
Losing you is what I want fighting [Chorus: Tom Walker & Zara Larsson]  
Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone  
Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone [Bridge: Tom Walker, Zara Larsson & Both]  
I'm too proud to call you  
But I'm still thinking of you  
Oh, I think I love you (Ah)  
I'm too proud to call you  
But I'm still thinking of you  
Oh, I think I love you (Ah)  
I'm too proud to call you  
But I'm still thinking of you  
Oh, I think I love you (Ah)  
I'm too proud to call you  
But I'm still thinking of you  
Oh, I think I love you (Ah) [Chorus: Tom Walker & Zara Larsson]  
Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone  
Of all the battles that I've won  
They don't matter now you're gone  
Nothing matters now you're gone
