We Run the Night (feat. Pitbull) [Edited]

Havana Brown

When the sun goes down, down, down, down
Boy you're afraid of the dark, dark
And when the lights go out, out, out, out
Tell me do you know where to start, startAnd when the bass gets loud, loud, loud
That is when I feel apart, apart
And when the world sleeps sound, sound, sound, sound
Well the sound is the key of my heart, heartWe run, yes we run the night, the night
We run, yes we run the night, night, night, night, night
We run, yes we run the night, we, we, we run, we, we, we runWe run, yes we run the night, the night, night, night, night
Run 'em like run 'em, run 'em
Run 'em like run 'em, run 'em
Feeling like a rush, rush, rush
Pushing passed me, all over my skin, skin
I can't get enough 'nough 'nough 'nough
'Cause the beat keeps pulling me in
Taking me so high up, up, upA place that I've never been, ahhhh
Party, party all night, night, night, sleep all day then do it again.
We run, yes we run the night, the night
We run, yes we run the night, night, night, night, nightWe run, yes we run the night, we, we, we run, we, we, we run
We run, yes we run the night, the night, night, night, night
Run 'em like run 'em, run 'emRun 'em like run 'em, run 'em
Eh, eh, eh
Eh, eh, eh
Turn the lights down
Turn the lights down
Eh, eh, eh
Eh, eh, eh
Turn the lights down, down
Turn the lights down
We run, yes we run the night, the night
We run, yes we run the night, night, night, night, night
We run, yes we run the night, we, we, we run, we, we, we run
We run, yes we run the night, the night, night, night, night
