

Bossy (feat. Jason DeRulo)

Birdman

I love it when she bossy
Sexy when she bossy
I know i am the boss
I kinda like it when she boss me
Love it when im bossy
Touch me when im bossy
She thinks she is the boss
She kinda likes it when im Bos(sy)
Who da boss, Who da boss
Who da boss, Who da boss
She thinks she in control but ima let her know
Who da boss, Who da boss
Who da boss, Who da boss
When we switch roles I let it be known
Im Da boss
Yeah sun shinin doin it like this-a-way
5 star doin it like everyday
Pick mama up ridin with the paper plates
Big houses 20 mills own estates
Brought her to my town
Showed her my uptown, showed her my uptown
Show her where i stood my ground
How we did it how we put it down
New money and we blowin straight out the pound
To the mall let her do what she do
She grind cause she wanna
And she hustlin too
I do it how i feel
I'm da boss of my shit
About 8, 9 o clock mama cookin my shit
I love it when she bossy
Sexy when she bossy
I know i am the boss
I kinda like it when she boss me
Love it when im bossy
Touch me when im bossy
She thinks she is the boss
She kinda likes it when im Bos(sy)

She thinks she in control but ima let her know
