Bossy (feat. Jason DeRulo)

Birdman

I love it when she bossy Sexy when she bossy I know i am the boss I kinda like it when she boss me Love it when im bossy Touch me when im bossy She thinks she is the boss She kinda likes it when im Bos(sy) Who da boss, Who da boss Who da boss. Who da boss She thinks she in control but ima let her know Who da boss, Who da boss Who da boss, Who da boss When we switch roles I let it be known Im Da boss Yeah sun shinin doin it like this-a-way 5 star doin it like everyday Pick mama up ridin with the paper plates Big houses 20 mills own estates Brought her to my town Showed her my uptown, showed her my uptown Show her where i stood my ground How we did it how we put it down New money and we blowin straight out the pound To the mall let her do what she do She grind cause she wanna And she hustlin too I do it how i feel I'm da boss of my shit About 8, 9 o clock mama cookin my shit I love it when she bossy Sexy when she bossy I know i am the boss I kinda like it when she boss me Love it when im bossy Touch me when im bossy She thinks she is the boss She kinda likes it when im Bos(sy) Who da boss. Who da boss Who da boss, Who da boss She thinks she in control but ima let her know Who da boss, Who da boss

Who da boss, Who da boss When we switch roles I let it be known Im Da bossWhen you see baby girl nigga rockin red Best believe that she doin it for a nigga Tear drop on her hand just like her man 14 tear drops nigga im the man Stand my ground do mines uptown Get it how i live nigga show em how i put it down When i see her on TV cuzIt be like thats my blood (yeah) Cause she rep me thoroughly Uptown nigga hold me down thoroughly (Yeah) And she xxxx me patiently And i love how she work meI love it when she bossy Sexy when she bossy I know i am the boss I kinda like it when she boss me Love it when im bossy Touch me when im bossy She thinks she is the boss She kinda likes it when im Bos(sy) Who da boss, Who da boss Who da boss. Who da boss She thinks she in control but ima let her know Who da boss, Who da boss Who da boss, Who da boss When we switch roles I let it be known Im Da bossSo im back in my hood in the neck of my woods 5 star you know im good 5 star im out my hood Put in work lil daddy so you know its good Mama love my style i cant do it though Been through a whole bunch of yall solo You know its all good like i give it up Gave it up, Got it up Now im still standin up I got me somethin in the plan though Money in the hand doin it so brand-o Bring her to an island let her piece it out Lovin my gangster tatted outI love it when she bossy Sexy when she bossy I know i am the boss I kinda like it when she boss me Love it when im bossy Touch me when im bossy She thinks she is the boss She kinda likes it when im Bos(sy) Who da boss, Who da boss Who da boss, Who da boss She thinks she in control but ima let her know

Who da boss, Who da boss Who da boss, Who da boss When we switch roles I let it be known Im Da bossLet it be known im the boss Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
