Baby, I'ma switch this shit up
Fuck that older shit, yeah[Pre-Chorus]
We ain't in a rush, girl, it's just us, girl (no)

[Verse 1]

I know that life moves too quick for ya, sometimes (sometimes)
We should pull up to the kick-back, smoke one with me one time
Tell me 'bout all the freaky secrets, all them troubles that you got on your mind
Just bring them to life (bend it up), put that shit on a film and watch it back on rewind (hold
up)[Pre-Chorus]

We ain't in a rush, girl, it's just us, girl (push, girl, it's just us, girl)
Let me know wassup, girl, wassup, girl? (Ooh yeah)
'Cause I'm tryna slow it down, beat it up, go down, eat it up (slow it down, ooh)
Take it down, down, down, down, then I'ma beat it up (up)[Chorus]
Let me switch up the tempo, switch it up (let me, girl)
Let me switch up the tempo, switch it up (ooh, ooh)
Let me switch up the tempo, switch it up (baby)
