Reflex

SAINt JHN

Picture be balling Picture me with the fifth of Henny, something foreign Picture me riding round here with a Benzo Picture me blunted with the tints on the window You could see by the looks of it I got the feeling I told them bitches I'm something they should believe in I told my mama they can't reach me, hit the ceiling Baby this is just the beginning, it's preseason I know that you can tell I got it thoughGotta go get it that the reflex I know you can tell the winners by how we flex I ain't playing with theses niggas ain't no recess Next time I look around nigga way up, way up, way up, way up Only bad bitches round here I swear it's only bad bitches round here I mean it's only real niggas round here You know it's only real niggas round here
