

# Physical

## Dua Lipa

Common love isn't for us  
We created something phenomenal  
Don't you agree?  
Don't you agree? You got me feeling diamond rich  
Nothing on this planet compares to it  
Don't you agree?  
Don't you agree? Who needs to go to sleep  
when I got you next to me? [REF.:]  
All night I'll riot with you  
I know you got my back,  
and you know I got you  
So come on, come on, come on  
Let's get physical  
Lights out, follow the noise  
Baby, keep on dancing  
like you ain't got a choice  
So come on, come on, come on  
Let's get physical Adrenaline keeps on rushing in  
Love the simulation we're dreaming in  
Don't you agree?  
Don't you agree? I don't wanna live another life  
'Cause this one's pretty nice  
Living it up Who needs to go to sleep  
when I got you next to me?  
[REF.:]  
All night I'll riot with you  
I know you got my back,  
and you know I got you  
So come on, come on, come on  
Let's get physical Lights out, follow the noise  
Baby keep on dancing  
like you ain't got a choice  
So come on, come on, come on  
Let's get physical Hold on  
Just a little tighter  
Come on  
Hold up  
Tell me if you're ready  
Come on  
Baby, keep on dancing  
Let's get physical Hold on  
Just a little tighter

Come on  
Hold on  
Tell me if you're ready  
Come on  
Baby, keep on dancing  
Let's get physical[REF.:]  
All night I'll riot with you  
I know you got my back  
and you know I got you  
So come on, come on, come on  
Let's get physicalLights out, follow the noise  
Baby, keep on dancing  
like you ain't got a choice  
So come on, come on, come on  
Let's get physicalLet's get physical
