

I Do

John Legend

When I think about the messes I've made
Think about the rest of my days
I wonder if you'll stick with me or walk away I think about all of my faults
Will you love me just because?
Do you believe that we could last forever, babe? Why don't we go all the way? (All the way)
All the way (All the way)
All the way
I hope we go all the way (All the way)
I hope you do too I do, I do, I do, I do (Yeah)
I hope you do too
Oh, I hope you do too (Oh, I wonder if you)
I do, I do, I do, I do (Ayy)
I hope you do too
Ooh, I hope you do too
When I think about every time (Time)
That your eyes light up like mine (Mine)
I know I want that feeling every single night
Am I crazy to think that you
Could ever want it as bad as I do?
I need it more than you could ever realize Why don't we go all the way? (Why don't we go all the way?)
All the way (All the way)
All the way
I hope we go all the way (All the way)
I hope you do too I do, I do, I do, I do (I do)
I hope you do too (Oh, I hope you do too)
I hope you do too (Woah, oh, oh, ah)
I do, I do, I do, I do (I do)
I hope you do too (I hope you do)
I hope you do too (I hope you do too)
Do you, do you, do you?
'Cause I do, I do, I do
Do you, do you, do you?
'Cause I do, I do, I do I do, I do, I do (Oh, oh)
I hope you do too
I hope you do too (Oh, I've been wonderin' if you)
I do, I do, I do, I do
I hope you do too
I hope you do too Why don't we go all the way? (Why don't we go all the way?)
All the way (All the way)
All the way
I hope we go all the way (All the way)

I hope you do too, ooh
