

Cannonball

Lea Michele

Break down
Break down
Break down I was scared to death I was losing my mind (Break down)
I couldn't close my eyes I was pacing all night, (Oh, no!)
I think I found the light at the end of the tunnel (and my doubts)
I couldn't find the truth I was going under But I won't hide inside
I gotta get out, gotta get out, gotta get out, gotta get out
Lonely inside and light the fuse
Light it now, light it now, light it now
And now I will start living today, today, today
I close the door
I got this new beginning and I will fly
I'll fly like a cannonball
Like a cannonball
Like a cannonball
I'll fly, I'll fly, I'll fly like a cannonball Freedom
I let go of fear and the peace came quickly
Freedom
I was in the dark and then it hit me
I chose suffering and pain in the falling rain
I know, I gotta get out into the world again But I won't hide inside
I gotta get out, gotta get out, gotta get out, gotta get out
Lonely inside and light the fuse
Light it now, light it now, light it now
And now I will start living today, today, today
I close the door
I got this new beginning and I will fly
I'll fly like a cannonball
Like a cannonball
Like a cannonball
I'll fly, I'll fly, I'll fly like a cannonball Break down
I was scared to death I was losing my mind
Break down
I gotta get out into the world again And now I will start living today, today, today
I close the door
I got this new beginning and I will fly
I'll fly like a cannonball
Like a cannonball
Like a cannonball
I'll fly, I'll fly, I'll fly like a cannonball
Like a cannonball
Like a cannonball

I'll fly, I'll fly, I'll fly like a cannonball
