## Cannonball

## Lea Michele

Break down Break down Break downI was scared to death I was losing my mind(Break down) I couldn't close my eyes I was pacing all night, (Oh, no!) I think I found the light at the end of the tunnel (and my doubts) I couldn't find the truth I was going underBut I won't hide inside I gotta get out, gotta get out, gotta get out, gotta get out Lonely inside and light the fuse Light it now, light it now, light it now And now I will start living today, today, today I close the door I got this new beginning and I will fly I'll fly like a cannonball Like a cannonball Like a cannonball I'll fly, I'll fly, I'll fly like a cannonballFreedom I let go of fear and the peace came quickly Freedom I was in the dark and then it hit me I chose suffering and pain in the falling rain I know, I gotta get out into the world againBut I won't hide inside I gotta get out, gotta get out, gotta get out, gotta get out Lonely inside and light the fuse Light it now, light it now, light it now And now I will start living today, today, today I close the door I got this new beginning and I will fly I'll fly like a cannonball Like a cannonball Like a cannonball I'll fly, I'll fly, I'll fly like a cannonballBreak down I was scared to death I was losing my mind Break down I gotta get out into the world againAnd now I will start living today, today, today I close the door I got this new beginning and I will fly I'll fly like a cannonball Like a cannonball Like a cannonball I'll fly, I'll fly, I'll fly like a cannonball Like a cannonball Like a cannonball
