

# Sweet Surrender

Sarah McLachlan

It doesn't mean much  
It doesn't mean anything at all  
The life I've left behind me is a cold room I've crossed the last line  
From where I can't return  
Where every step I took in faith betrayed me  
And led me from my home And sweet surrender  
Is all that I have to give Take me in, no question's asked  
You strip away the ugliness that surrounds me  
(Who are you?)  
Are you an angel?  
Am I already that gone?  
I only hope that I won't disappoint you  
When I'm down here on my knees  
(Who are you?) And sweet surrender  
Is all that I have to give  
(Who are you?) And sweet surrender  
Is all that I have to give Don't understand  
The touch of your hand  
I would be the one to fall  
I miss the little things  
I miss everything about you Doesn't mean much  
It doesn't mean anything at all  
The life I left behind me is a cold room  
(Who are you?)  
And sweet surrender  
Is all that I have to give  
(Who are you?) And sweet surrender  
Is all that I have to give
