

# Never Let You Go (Weiss Remix) [feat. Foy Vance]

## Rudimental

You never gotta be that lonely  
You never gotta get that alone  
All you gotta do is call me  
And I will never let you go You never gotta be that lonely  
You never gotta get that alone  
All you gotta do is call me  
And I will never let you go I will never let you go  
I will never let you go  
I will never let you go  
I will never let you go  
I will never let you go, never let you go  
I will never let you go, ooh ooh ooh ooh  
I will never let you go, never let you go  
I will never let you go, never let you go ooh ooh ooh ooh  
You never gotta be that lonely  
You never gotta get that alone  
All you gotta do is call me  
And I will never let, never let you go no You never gotta be that lonely  
You never gotta get that alone  
All you gotta do is call me  
And I will never let, never let you go no (never let you go, never let you go)  
Never let you go  
(never let you go, never let you go)  
Never let you go I will never let you go  
I will never let you go  
I will never let you go, never let you go  
I will never let you go, ooh ooh ooh ooh  
I will never let you go, never let you go  
I will never let you go, never let you go ooh ooh ooh ooh  
All you do is call me  
You call me  
And I'll never let you go  
(I will never let you go)  
You call me  
You call me  
(I will never let you go, never let you go)  
Never let you go  
(I will never let you go)  
And you call me  
And you call me

(I will never let you go) I will never let you go, never let you go  
I will never let you go, ooh ooh ooh ooh  
I will never let you go, never let you go  
I will never let you go, never let you go ooh ooh ooh ooh (never let you go, never let you go)  
I will never let, never let you go no  
(never let you go)  
Never let you go  
(never let you go)  
Never let you go
