

Ocean of Noise

Arcade Fire

In an ocean of noise
I first heard your voice
Ringing like a bell
As if I had a choice, oh well
Left in the morning
While you were fast asleep
Into an ocean of violence
A world of empty streets
You've got your reasons
And me I've got mine
But all the reasons I gave
Were just lies to buy myself some time
In an ocean of noise
I first heard your voice
Now who here among us
Still believes in choice?
-Not I!
No way of knowing
What any man will do
An ocean of violence
Between me and you
You've got your reasons
And me I've got mine
But all the reasons I gave
Were just lies to buy myself some time
I'm gonna work it out
'Cause time won't work it out
I'm gonna work it out
'Cause time won't work it out for you
I'm gonna work it on out
