Bedtime

Usher

That's right...
I just want you so much, can I have you baby?
Do you hear me baby?(1)
Craving your body all through the night
Feels like I'm goin through withdrawls
I wanna hold you
I'll hold you inside of these arms
Dying to taste you, I can't deny
Can't get it out my mind
Please let me hold you
Cause I need your loving tonight
Whenever I'm near you
My love just comes down
Whenever I see you
I just want you around(oh usher does)
Cause I wanna feel you
All through the day and the night(oh baby)
Whenever I'm near you
It feels like bedtime(oh oh)(2)
Constantly thinking of things to do
Places where we can make love
Cause, I wanna freak you
I'll freak you where ever you want
Placing my kisses all over you
Caressing you so nice and slow
Oh how I want you
Girl, there's something I want you to know
Whenever I'm near you
My love just comes down(yeah)
Whenever I see you
I just want you around
(I just want it baby, I just want it baby)
Cause I wanna feel you
All through the day and the night
Whenever I'm near you
It feels like bedtimeDo you get lonely?
(Do I get lonely?)
Thinking about me?
(Thinking about you, yeah?)
Am I the only?
Girl I dream of love, think of it oohh yeah
Are you into me? Are you mine for me?

Say you can't go a day without me.
Girl I love you, and I want you
And I need you, I need you, I need you, yeah(until the end)
Whenever I'm near you
My love just coms down(my love my love my love just comes down)
Whenever I see you
I just want you around(girl I want you I want you)
Cause I wanna feel you(feel you all through the day and the night)
All through the day and the night
Whenever I'm near you
It feels like bedtime
