Already Gone

Kelly Clarkson

Remember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbyeEven with our fists held high
It never would have work out right, yeah
We were never meant for do or dieI didn't want us to burn out, I
Didn't come here to hurt you now I can't stopI want you to know

That it doesn't matter
Where we take this road
Someone's gotta go
And I want you to know

You couldn't have loved me better

But I want you to move on

So I'm already gone Looking at you makes it harder

But I know that you'll find another

That doesn't always make you wanna cry

Started with a perfect kiss then

We could feel the poison set in

Perfect couldn't keep this love aliveYou know that I love you, so I Love you enough to let you goI want you to know

That it doesn't matter

Where we take this road

Someone's gotta go

And I want you to know

You couldn't have loved me better

But I want you to move on

So I'm already gone

And I'm already gone

I'm already gone

You can't make it feel right

When you know that it's wrong

I'm already gone

Already gone

There's no moving on

So I'm already goneAlready gone

Already gone

Already goneAlready gone

Already gone

Already gone, yeahRemember all the things we wanted
Now all our memories, they're haunted
We were always meant to say goodbyeI want you to know
That it doesn't matter

Where we take this road
Someone's gotta go
And I want you to know
You couldn't have loved me better
But I want you to move on
So I'm already gone
I'm already gone
I'm already gone
You can't make it feel right
When you know that it's wrong
I'm already gone
Already gone
There's no moving on
So I'm already gone
