Turning Tables

Adele

Close enough to start a war All that I have is on the floor God only knows what we're fighting for All that I say, you always say moreI can't keep up with your turning tables Under your thumb, I can't breatheSo I won't let you close enough to hurt me No, I won't rescue you to just desert me I can't give you the heart you think you gave me It's time to say goodbye to turning tables To turning tables Under haunted skies I see you Where love is lost, your ghost is found I braved a hundred storms to leave you As hard as you try, no, I will never be knocked downI can't keep up with your turning tables Under your thumb, I can't breatheSo I won't let you close enough to hurt me No, I won't rescue you to just desert me I can't give you the heart you think you gave me It's time to say goodbye to turning tables To turning tablesNext time I'll be braver I'll be my own saviour when the thunder calls for me Next time I'll be braver I'll be my own saviour, standing on my own two feet I won't let you close enough to hurt me, no I won't rescue you to just desert me I can't give you the heart you think you gave me It's time to say goodbye to turning tables To turning tables Turning tables, yeah Turning, no Song Discussions is protected by U.S. Patent 9401941.
