

Greater Than One Less Than Three

Dwele

(Intro) Yea...1, 2, 3(1st Verse)
Desire blinded me at first
Allowing me to see, nothing past me
But you restored my innocence(restored my innocence) Ain't nothing I forsake...(yea yea) I
needed you to breathe.(Bridge)
It's better to be with you, than being me,
Greater than one, less than three.
It's better to be with you (yea yea.) than being me. (oh) Greater than one, (oh) less than three.
Desire blinded me at first
Allowing me to see, nothing past me
But you (You) restored my innocence
Ain't nothing I forsake...(oh baby) I needed you to breathe.
