

Mona Lisa

Little Daylight

It's just the way that she smiles,
She locks you in with her eyes
And in a room with ten men
They all think she's looking at them!
You played a record that night,
Yeah, she got you feeling so high
And then you waited for days
Just to feel her slipping away!!Baby, I know you're into it
Chasing a love you'll never get
She's playing your heart just a little bit
Your Mona Lisa
Your Mona Lisa!Aaah aaah ah ah
Aaah aaah ah ah
Aaah aaah ah ah
She got a wandering heart,
It's gonna rip you all apart
Like the hourglass sands,
I watched you fall into her hands!
You got to tell her tonight
Yeah, just get her out of your life
She plays an intricate game,
Don't let her take you away!!Baby, I know you're into it
Chasing a love you'll never get
She's playing your heart just a little bit
Your Mona Lisa
Your Mona Lisa!
Well, she's got games you'll never win,
The key to your heart she holds within
She's leaving you outside looking in,
Your Mona Lisa
Your Mona Lisa!
Well, I hear your call like an S.O.S.
I'm feeling for your heart, I'm feeling for your heart
I hear your voice calling S.O.S.
I'm feeling for your heart, I'm feeling for
Well, I hear your call like an S.O.S.
I'm feeling for your heart, I'm feeling for your heart
I hear your voice calling S.O.S.
I'm feeling for your heart, I'm feeling for your
Well, I hear your call like an S.O.S.
I'm feeling for your heart, I'm feeling for your heart
I hear your voice calling S.O.S.

I'm feeling for your heart, I'm feeling for your heart
Baby, I know you're into it
You're chasing a love you'll never get
She's playing your heart just a little bit
Your Mona Lisa
Your Mona Lisa!
Well, she's got games you'll never win,
The key to your heart she holds within
She's leaving you outside looking in,
Your Mona Lisa
Your Mona Lisa!
Baby, I know you're into it
You're chasing a love you'll never get
She's playing your heart just a little bit
Your Mona Lisa
Your Mona Lisa!
