

# Everybody Get Up

## Five

Everybody get up singing  
1, 2, 3, 4, Five will make you get down now  
Everybody get up singing  
1, 2, 3, 4, Five will make you get down now You gots to keep it real  
You gots to keep it raw  
I'm lyrically blessed  
So don't try to ignore  
Time for some action  
Creeping up your back and  
Keep the beat nasty  
Like Janet my reaction  
Hard I'm addictive  
Better lock your kids in  
Coming to you area  
Ya don't know what you're missing  
Go tell your family  
Here comes the enemy  
Blowing up the spot tech remedy  
Everybody get up singing  
1, 2, 3, 4, Five will make you get down now  
Everybody get up singing 1, 2, 3, 4, Five will make you get down now Keep it moving on  
Keep it moving on  
Keep it moving on  
Keep it moving on  
Keep it moving on Keep it moving on  
Keep it moving on  
I'll be the resident, president  
I'm the 5th element  
Jimmy fly snooka stone  
Cold is how I'm  
Hittin' em' better get together  
Put your hands in the sky  
Stick em up punk  
Hit em low, hit em high  
Now I'm the bad boy  
That you invite for dinners  
Ain't got no manners  
Cos I eat with my fingers  
Lost boys terrorise the neighbourhood  
And hounds of the Baskerville will be up to no good  
So come on, come on Everybody keep checking us  
Coming with the funk
