

Hold Me Back

[Rick Ross](#)

I see how these niggas playin'
But I could adapt These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes won't hold me back
These hoes won't hold me back
These niggas won't hold me back
These niggas won't hold me back
I look in my fridge
My shit lookin' scarce
I got a few kids
We need some shit on the shelf
I get a knock at the door
They say my rent overdue
And while my niggas sell dope
And don't know what else to do
The only thing on my mind
I'm tryin' to keep on the lights
I call up my slime
I need a kilo tonight
Everything whipped well
I'm eatin' steak, no more soup
Then I parked the Caprice
I went and bought me a coupe
Everything takes time
But this shit came fast
Niggas standin' in line
They wanna hold me back
I multiplied my hustle
Stimulated my mind
Motivated my niggas
And we'll never divide, NO! These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes won't hold me back
These hoes wanna hold me back These hoes wanna hold me back

These hoes wanna hold me back
 First I got me a Taurus
 Then I copped me a Lexus
 I took over Florida
 My connect out of Texas
 Then I start sippin' purple
 Got my shit screwed
 When you feedin' your circle
 Watch your shipments improve
 Fabricate 'bout your fortune
 All my fabric's imported
 Fornicate in my fortress
 40k still my mortgage
 24k my toilet
 All my taxes reported
 All my exes deported
 Shout-out Texas, New Orleans
 All these niggas influenced
 By a hustler's endurance
 I just bought me the purest
 But I need some insurance
 Niggas watch who you fuckin'
 Just to hate on your bitches
 Niggas breakin' the rules
 Niggas facin' suspension
 These niggas won't hold me back
 These niggas won't hold me back
 These niggas won't hold me back
 These niggas won't hold me back
 These niggas won't hold me back
 These niggas won't hold me back
 These niggas won't hold me back
 Momma workin' three jobs
 'til I told her to quit
 How we rose from the sewers
 Funny now I'm the shit
 Niggas ain't gettin' money
 But they got an opinion
 Had this tech makin' racket
 Serve you like you were tennis
 Killers ride for that paycheck
 AK okay, check
 Bitch nigga let's play chess
 Yo bitch next, no latex
 These niggas won't hold me back
 Told the feds they sold me sack
 Whip 'em right and then come right back
 Whip-whip-whip 'em right and then come right back
 These niggas won't hold me back
 These niggas won't hold me back
 These niggas won't hold me back
 These hoes wanna hold me back
 These hoes wanna hold me back

These hoes wanna hold me back
These hoes wanna hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
Pussy ass niggas
Pussy ass niggas
They all pussy ass niggas
Pussy ass niggas
Lookin' down on these niggas
Pussy ass niggas
Pushin' my new Ferrari
On these pussy ass niggas
Pussy ho
Pussy ho
She a pussy ho
Until she give me pussy ho
Pussy ho
Pussy ho
Pussy ho
She a pussy ho
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These niggas won't hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
These hoes wanna hold me back
