## **Zombie Stomp**

## **Ozzy Osbourne**

I don't need no doctor
But I need something to kill the pain

Don't know what I'm after

But the pressure driving me insaneSearching for a differnt ride

Had a funny feeling I can't hide

Hey, Hey, Do the Zombie Stomp

Why can't they just let me be

Alone without the misery

Hey, Hey, Do the Zombie, Zombie Stomp

Hey, Hey, Do the Zombie Stomp

Hey, Hey, Do the Zombie Stomp

Flirting with disaster

Mornign after killing me again

Hiding from the laughter

And the demons dancing round my brainAlways dancing on thin ice

I guess I'll have to pay the price

Hey, Hey, Do the Zombie Stomp

Thinking how it could have been

If I had never let them in

Hey, Hey, Do the Zombie, Zombie Stomp

Hey, Hey, Do the Zombie StompTake me to the doctor

'Cause I feel it coming on again

Don't know where I'm going

'Cause I guess I don't know where I've been

Looking for a different ride

Always dancing on thin ice

Hey, Hey, Do the Zombie Stomp

Thinking how it could have been

If I had never let them in

Hey, Hey, Do the Zombie, Zombie Stomp

Hey, Hey, Do the Zombie Stomp
