Pop Muzak (Ian Pooley Extended Mix)

Mousse T. & Roachford

(Ft Roachford)ChorusYour love is like my favorite pop music
Coming out the radio sound
And if I tried I couldn't refuse it
It lifts me when I'm feeling downYour touch is like a sweet soul melody
I'm a junkie for your stuff
And since I've been in tune with you girl
I can't seem to get enoughVerse
I never thought I would say this
But it seems I was wrong
Cos since I met you girl â? I've had a feeling that is so strong
It's taken so long to realize what I have
So don't get me wrong when I say these words to you
ChorusYour love is like my favorite pop music
Coming out the radio sound
And if I tried I couldn't refuse it
It lifts me when I'm feeling downYour touch is like a sweet soul melody
I'm a junkie for your stuff
And since I've been in tune with you girl
I can't seem to get enoughVerse
I was to wrapped up in myself
To notice that you were there
Spent my time in situations that were leading nowhere
It's taken so long to realize what I have
But now that I know I wanna spend my life with you
Chorus
Your love is like my favorite pop music
Coming out the radio sound
And if I tried I couldn't refuse it
It lifts me when I'm feeling downYour touch is like a sweet soul melody
I'm a junkie for your stuff
And since I've been in tune with you girl
I can't seem to get enough
