## **Church Bells**

## **Carrie Underwood**

Jenny grew up wild, like a blackfoot daisy Out in the shack with a blue tick hound Broke as hell, but blessed with beauty The kind that a rich man can't turn down She caught the eye of an oil man dancing One summer night in a dime store dress She had the looks, he had the mansion And you can figure out the restIt was all roses, dripping in diamonds Sipping on champagne She was all uptown, wearing that white gown Taking his last name She could hear those church bells ringing, ringing And up in the loft, that whole choir's singing, singing Fold your hands and close your eyes Yeah, it's all gonna be alright And just listen to the church bells ringing, ringing Yeah, they're ringingJenny was hosting Junior League parties And having dinner at the country club Everyone thought they were Ken and Barbie But Ken was always getting way too drunk Saturday night, after a few too many He came home ready to fight And all his money could never save Jenny From the devil living in his eyesIt was all bruises, covered in makeup Dark sunglasses And that next morning, sitting in the back pew Praying with the baptist She could hear those church bells ringing, ringing And up in the loft, that whole singing, singing Fold your hands and close your eyes Yeah, it's all gonna be alright You just listen to the church bells ringing, ringing Yeah, they're ringingJenny slipped something in his Tennessee whiskey No law man was ever gonna find And how he died is still a mystery But he hit a woman for the very last time She could hear those church bells ringing, ringing Standing there in a black dress singing, singing Fold your hands and close your eyes Yeah, it's all gonna be alright And just listen to the church bells ringing, ringing Yeah, they're ringing
