## Run for It (Single Edit)

## **Delerium**

I can't fight the fighter
I keep losing ground
And I can't hide the hider with you hanging around
I can't and I won'tYou better run for your life, love, I'm walking I'm walking (x2)I can't love a hater, it's a losing game

Never love a quitter, you'll get left in the rainI can't help the helper when my feet are bound I can't feel you near me if you're not the only soundYou are, you're not

You better run for your life, love, I'm walking I'm walking

You better count up your reasons, I'm leaving I'm leaving (x2)

You better count up your reasonsI'm leaving I'm leavingHow do you like the way it feels when I leave you? (x2)

Leave you

You are, you're not

You better run for your life, love, I'm walking I'm walking
You better count up your reasons, I'm leaving I'm leaving (x2)
You better count up your reasons
