

River

Bishop Briggs

Like a river, like a river, sh
Like a river, like a river, sh
Like a river, like a river
Shut your mouth and run me like a river How do we fall in love
Harder than a bullet could hit ya?
How do we fall apart
Faster than a hair pin trigger? Don't you say, don't you say it
Don't say, don't you say it
One breath, it'll just break it
So shut your mouth and run me like a river Shut your mouth, baby stand and deliver
Holy hands, oh they make me sinner
Like a river, like a river
Shut your mouth and run me like a river
Chuck this love till the veins start to shiver
One last breath till the tears start to wither
Like a river, like a river
Shut your mouth and run me like a river Tales of an endless heart
Curses is the fool who's willing
Can't change the way we are
One kiss away from killing Don't you say, don't you say it
Don't say, don't you say it
One breath it'll just break it
So shut your mouth and run me like a river Shut your mouth, baby stand and deliver
Holy hands oh they make me a sinner
like a river, like a river
Shut your mouth and run me like a river
Choke this love till the veins start to shiver
One last breath to the tears start wither
Like a river, like a river
Shut your mouth and run me like a river Like a river, like a river, (oh oh oh)
Like a river, like a river, (ooh-oh-oh)
Like a river, like a river
Shut your mouth and ride me like a river Hey, oh oh oh
Hey, oh oh oh
(like a river)
Hey, oh oh oh
Oh oh oh
(like a river) Like a river Shut your mouth baby stand and deliver
(stand and deliver)(
like a river, like a river)
Holy hands oh they make me a sinner
(make me a sinner)

(like a river, like a river)
Like a river, like a river (like a river)
Shut your mouth and ride me like a river
(and run me like a river)Choke this love till the veins start to shiver
(start to shiver) (like a river, like a river)
One last breath to the tears start wither (oh oh)
Like a river, like a river
Shut your mouth and run me like a river
