

Honey Love

R. Kelly & Public Announcement

Uh, yeah, come inside
Now turn the lights down
Don't be scared, touch me
I know what you want and all
Tonight is your night
For the rest of your life
So just lay back and relax and listen There's somethin' in your eyes, baby
It's tellin' me you want me, baby
Tonight is your night
See, you don't have to ask for nothin'
I'll give you everything you need
So girl, don't be shy, oh... just (Baby, come inside) Oh, turn down the lights
'Cause there is something that I want from you right now, ooh
(Give me that honey love) Give me that honey love
(Give me that honey love) I gotta have your lovin', baby, oh...
(Give me that honey love) Oh... give me that sweet, sweet love
(Give me that honey love) Oh... yeah Let's go to the mall, baby
I'll pick you up around the way
Don't you worry 'bout a thing, ooh... ooh...
'Cause I've got all the answers, girl
To the questions in your head
And I'm gonna be right there for you, baby, hey (Baby, come inside) Girl, why don't you turn
down the lights
'Cause there is something that I want from you right now, hey (Give me that honey love) Give it
to me
(Give me that honey love) See, I gotta have your honey love, baby, slow
(Give me that honey love) Give me that sweet, sweet love, hey
(Give me that honey love) Ooh, so
(Baby, come inside) Woo, turn down the lights
'Cause there is something that I want from you right now (Give me that honey love) Whoa...
oh... whoa... oh... oh... whoa...
(Give me that honey love) Give me that honey love right now, baby
(Give me that honey love) Just like a lollipop
You're so sweet, yeah
And your body's like a lemon drop
Sure taste good to me
So let's lay down
And get close till we become one
And I promise you, baby
Ooh, we're gonna have fun, alright (Give me that honey love) Give me that honey love right
(Give me that honey love) I want it right now, hey
(Give me that honey love) I... I... I

(Give me that honey love) Right now give me that honey love, listen (Give me that honey love)
There ain't nothin' I won't do for you, woo, woo, woo, woo, woo
(Give me that honey love) I'm here to satisfy you, baby
And it's good to know that you are my lady, oh
(Give me that honey love) Oh, I gotta have your honey love
(Give me that honey love) Right now, right now, right now, right now, right now (Give me that
honey love) Whoa... oh... oh... oh... oh... oh... oh...
