## Marilyn Manson

He lives inside my mouth  
and tells me what to say  
when he turns the trains  
on he makes it go away  
the hands are cracked and dirty and  
the nails are beetle wings  
when he turns the trains on he  
unties all of the strings(the worm):"tell me something beautiful  
tell me something free  
tell me something beautiful  
and I wish that I could be"  
(then I got my wings and I never even knew it  
when I was a worm thought I couldn't get through it)  
(Jack)(not spoken): come, come  
toys all smell like children  
and the scab-knees will obey  
I have to kneel on broomsticks  
just to make it go away  
[the inauguration of the worm]  
(then I got my wings and I never even knew it,  
when I was a worm thought I couldn't get through it)(A voice we have not heard yet):"because  
today is black  
because  
there is no turning back  
because  
your lies have watered me  
I have  
become the strongest weed...  
weed..."  
(through Jack's eyes): the taste of metal  
disintegrator  
three holes upon the leather belt  
it's cut and swollen  
the age is showing(Boy):"there's no one here to save yourself"(The disintegrator) (to  
himself):"this is what you should fear  
you are what you should fear"
