

# Have Yourself a Merry Little Christmas

Whitney Houston

Have yourself a merry little Christmas  
Let your heart be light  
From now on  
Our troubles will be out of sight (my Lord) Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on  
Our troubles will be miles away Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more  
Through the years  
We all will be together  
If the Fates allow (allow)  
Hang a shining star  
Upon the highest bough  
And have yourself  
A merry little Christmas right now (Have yourself a)  
Have yourself a  
(Merry little Christmas)  
A merry little Christmas  
(Have yourself a)  
Oh  
(Merry Christmas now) Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on  
Our troubles will be miles away, ooh  
Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more Through the years  
We all will be together  
If the Fates allow (allow)  
Hang a shining star  
Upon the highest bough ooh ooh  
And have yourself  
Let your heart be light  
Ooh have yourself  
Put your troubles out of sight  
Ooh just have yourself  
A merry little Christmas now (Have yourself a merry little Christmas)  
(Have yourself a merry Christmas now)  
Have yourself a merry, merry Christmas

(Have yourself a merry little Christmas)  
Have merry, merry, merry, merry, merry ooh  
(Have yourself a merry Christmas now)  
A merry little Christmas  
(Have yourself)  
Have yourself a merry little  
(Have yourself a merry little Christmas)  
(Have yourself)  
Have yourself  
(Have yourself a merry Christmas now)  
Have yourself a merry little Christmas  
Ooh ooh
