

Alibis (feat. Justin Moore)

Tracy Lawrence

she knows every move that a man could make
she knows every trick in the book
she knows how to give
she knows how to take
cuz so many times shes been taken a fool
by those
alibis and lyin eyes and all the best lines
lord knows shes heard them all
shes been cheated on and pushed around and left alone
lord knows what ive put her through
and boy you can bet if a move can be made
she knows how to make one on you
she once thought that love wasnt just a game
her feelings once came from the heart
one day i gave her a wedding ring
in one night i tore all those feelings apart
with my
alibis and lyin eyes and all the best lines
lord knows shes heard them all
shes been cheated on and pushed around and left alone
lord knows what ive put her through
and boy you can bet if a move can be made
she knows how to make
her own
alibis and lyin eyes and all the best lines
lord knows shes heard them all
shes been cheated on and pushed around and left alone
lord knows what ive put her through
and boy you can bet if a move can be made
she knows how to make one on you
