By Heart

Jim Brickman

Hold me close, baby please
Tell me anything but that you're gonna leave
As I kiss this fallen tear
I promise you I will be hereUntil the stars fall from the sky
Until I find the reason why
And darling as the years go by
Until there's no tears left to cry
'Til the angels close my eyes
And even if we're worlds apart
I'll find my way back to you...
By heart
When you go, I'll stop the clock
I won't ever let this moment stop
Time is stealing you from me
But it can never take this memoryUntil the stars fall from the sky
Until I find the reason why
And darling as the years go by
Until there's no tears left to cry
'Til the angels close my eyes
And even if we're worlds apart
I'll find my way back to you...
By heart.
Until the stars fall from the sky
Until I find the reason why
And darling as the years go by
Until there's no tears left to cry
'Til the angels close my eyes
And even if we're worlds apart
I'll find my way back to you...
By heart.
