See my plug is a white boy
we selling kush, not white boy

See my plug is a white boy
we selling kush, not white boy

Yeah, my trap going techno

Yeah, my trap going techno

Yeah, my trap going techno

Yeah, my trap going techno

Got the party jumping like, got the party jumping like

Got the party jumping like, got the party jumping like

Jumping like, jumping like, jumping like, jumping like

Like, like, like, like

trap going techno

I got the Club jumping like a thousand jumping jacks (you know)

Spending money, see me burning

through these oven racks

The club is packed front to back, man, I'm loving that (you know)

And all these ladies want my babies, that's a fucking fact

See the club is in

molly's world

I think your girl geeking on that white, girl Yeah, my trap going techno

Yeah, my trap going techno

Yeah, my trap going techno

Yeah, my trap going techno

Got the party jumping like, got the party jumping like

Got the party jumping like, got the party jumping like

Jumping like, jumping like, jumping like, jumping like

Jumping like,

jumping like

trap going techno

End :)
