

# Dakota

## A Rocket to the Moon

She knows exactly what to do  
Whenever I'm alone with her I can barely make a move  
By the time she opens up her eyes  
She sings to me at night  
She's singing  
(Ba da ba ba ba da ba ba da ba da)(Ba da ba ba ba da ba ba da ba da)  
I know that she barely knows me  
I'm not faking love with her  
It's like I'm singing Karaoke  
And I forgot the second verse  
But I can make up my own words  
Oh, Dakota I know our love is new  
I barely know ya  
I've fallen over you  
It's the way you do the things you do That made me fall in love with you  
Dakota, are you in love with me too? She's got a little bit of money And a little bit of this  
And it's all she needs to live  
I got a little bit of love  
And a little bit of that  
And it's all I have to give  
This time I'll try no to show  
That I am not letting go  
Oh, Dakota  
I know our love is new  
I barely know ya  
I've fallen over you  
It's the way you do the things you do  
That make me fall in love with you  
Dakota, are you in love with me too?  
I'll show ya, I'll show ya  
That your love, that your love  
I'm not letting go  
I'll show ya, I'll show ya  
That your love, that your love  
I'm not letting go  
(Ba da ba ba ba da ba ba da ba da)  
(Ba da ba ba ba da ba ba da ba da)  
Oh, Dakota  
I know our love is new  
I barely know ya  
I've fallen over you  
It's the way you do the things you do

That make me fall in love with you  
Dakota, are you in love with me too?  
Oh, Dakota  
I know our love is new  
I barely know ya  
I've fallen over you  
It's the way you do the things you do  
That make me fall in love with you  
Dakota, are you in love with me too?  
I'm in love with you  
Are you in love with me too?
