## SAINT JHN

Roses

I walked in the coroner with the body screaming donor  
Never sold a bag but looking like Pablo in a photo  
This gon' make 'em feel the way like Tony killed Manolo  
You already know though, you already know though  
I walk in the corner with the money, I'm a fiend  
She might get it popping, I might wife a photo queen  
I already know, already know, nigga roses  
All I need is roses Turn up baby, turn up, when I turn it up  
You know how I get too lit when I turn it on  
Can't handle my behavior when I turn it on  
Too fast never last, couple life don't last  
Done been through it all  
Fuck with a nigga roll, show you all of me  
And I know you won't tell nobody nothing  
And I know you won't tell nobody no

Roses

I might pull up flexing on these niggas like aerobics  
I might tell young girl you cute but bald  
And that shit gorgeous  
Standing on the table, Rosé, Rosé, fuck the waters  
You know who to call us Turn up baby, turn up, when I turn it up  
You know how I get too lit when I turn it on  
Can't handle my behavior when I turn it on  
Too fast never last, couple life don't last  
Done been through it all  
Fuck with a nigga roll, show you all of me I might bring them Brooklyn niggas out, oh lord it's  
hopeless  
I might bring them strippers out and tell 'em do it pole-less  
You already know, already know, nigga roses  
Kill 'em, make it ...  
Turn up baby, turn up, when I turn it up  
You know how I get too lit when I turn it on  
Can't handle my behavior when I turn it on  
Too fast never last, couple life don't last  
Done been through it all  
Fuck with a nigga roll, show you all of me  
And I know you won't tell nobody nothing  
And I know you won't tell nobody no Roses
