

Beauty Doesn't Cry

Jacquees

You been filled with tension and I been watching
What you been feinin' and missin', baby I got it
You're a cutie, you're beautiful
What I'm saying is you got it
I don't know why you let them tear drops run out of your socket Please don't cry, cry
Lemme tell you why, why
Baby, beauty doesn't cry
Beauty doesn't, beauty doesn't, beauty doesn't cry
Beauty never, beauty never, beauty never cries Please don't cry, cry
You like a fortune cookie when you crack
it open, your hearts filled with a prize
You walk around sheddin' tear drops with that lion look in your eyes
So I brought candles up to your
room, it's looking like Hanukkah surprise
You caught your boyfriend cheatin' on you
last night, he messed up at the wrong time
You ain't got to say it, I can tell, I can tell
That you know this moment very well, very well
Cause you got a scary movie and some ice cream
Girl, I know what that might mean
But that don't mean that's the right thing, you, you You been filled with tension, I been watchin'
What you been feinin' and missin', baby I got it (I got it)
You're a cutie, you're beautiful
What I'm saying is you got it
I don't know why you let them tear drops run out of your socket
Please don't cry, cry
Lemme tell you why, why
Baby, beauty doesn't cry
Beauty doesn't, beauty doesn't, beauty doesn't cry
Beauty never, beauty never, beauty never cries Please don't cry, cry Now this is what we can do
(we can do)
Take selfies of me and you (me and you)
Cause I know that he's watchin'
He be Instagram stalkin' you
Cause first of all, all you gotta do is call
And I'll come runnin'
Such a beautiful face,
makes me want to erase, all the things that make you crazy You been filled with tension, I been
watchin' (I been watchin')
What you been feinin' and missin', baby I got it (oh, oh)
You're a cutie, you're beautiful
What I'm saying is you got it (oh, oh)

I don't know why you let them tear drops
run out of your socket (run out of your socket) Please don't cry,
cry (I don't wanna see you cry, I don't wanna see you cry)
Lemme tell you why, why (why)
Baby, beauty doesn't cry
Beauty doesn't, beauty doesn't,
beauty doesn't cry (I ain't never see
beauty cry, I don't wanna see beauty cry)
Beauty never, beauty never,
beauty never cries (I don't wanna see, I don't wanna see beauty cry)
Please don't cry, cry
